Based on the information provided, you qualify for a Sliding Scale Fee/Discount of _____.

I presently have no insurance or my insurance does not provide benefits for behavioral health services needed. I am applying for a Sliding Fee Discount. I have provided the above documents. I understand that I am responsible for fees in full at the time of each service. If payment is not made, this could interrupt services until payment is made. Should I enroll in insurance, I will inform the agency with this information prior to my next session. I understand that if the information is not received by the agency in a timely manner, I will be responsible for all charges that are deemed un-reimbursable by the insurance plan.
