THE HARBOUR

Programming Legend

Wellness & Life Skills

Join us to learn about stress relief, self-care, confidence, and tools you can actually use on a daily basis

Creativity & Arts

Create, express, and experiment through art, music, writing, and hands-on projects

No Limits Program:

Late Nights

Weekly activity focused on substance use prevention, community safety, and recovery. Community First Responders Training (CFRT) offered once a month

Mind Craft

Build skills one block at a time through conversations, activities, and games

S.T.E.M.

Explore science, technology, engineering, and math with fun challenges and problem solving activities

Fun Fridays

End the week off with games, music, special events, and chill activities every Friday from 3-4pm

After Hours Club

Time for our 18-25 year old members to chill and make their voices heard!

Community & Conversations

Let's chat! Connect with other members by joining us for low-pressure conversations centered around community, connection, and advocacy

Family Connections

Bringing families together to connect, share thoughts, learn about our center, and get support! Youth, families, and community members welcome!

WorkSmart Workshops

A series of workshops dedicated to helping you get ready for the world of work! Let us help you with job hunting, resume & cover letter writing, and interviewing!

Homework Hub

Need to catch up on some of your school work or need some extra help with homework? Stop by on Mondays & Thursdays!

Monthly Showcase

Show off your talents, voices, and skills with our monthly showcases - open to the community!
